## **AUTOMATED CLEARING HOUSE (ACH) DISCLOSURE**

Credit given by Professional Police Officers Credit Union (herein "we") to the member (herein "you") with respect to an ACH credit entry is provisional until we receive final settlement for such entry through a Federal Reserve Bank. If we do not receive such final settlement, you are hereby notified and agree that we are entitled to a refund of the amount credited to you in connection with such entry, and the party making payment to you via such entry (i.e., the originator of the entry) shall not be deemed to have paid you in the amount of such entry.

Under the Operating Rules of the National Automated Clearing House Association (NACHA), which are applicable to ACH transactions involving your account, we are not required to give next day notice to you of receipt of an ACH item and we will not do so. However, we will continue to notify you of the receipt of payments in the periodic statements we provide to you.

We may accept on your behalf payments to your account which have been transmitted through one or more ACH's and which are not subject to Electronic Fund Transfer Act and your rights and obligations with respect to such payments shall be construed in accordance with and governed by the laws of the state of Indiana as provided by the operating rules of the NACHA, which are applicable to ACH transactions involving your account.

## **ANNUAL NOTICE REGARDING NON-VISA PINLESS DEBIT TRANSACTIONS**

You may use your Visa Debit Card to initiate both Visa debit transactions and non-Visa debit transactions without using a personal identification number (PIN) to authenticate the transactions.

To initiate a Visa debit transaction, you may sign a receipt, provide a card number or swipe your card through a point-of-sale (POS) terminal and choose to route the transaction over a Visa network.

To initiate a non-Visa debit transaction, you may enter a PIN at a point-of-sale terminal, or, for certain bill payment transactions, provide the account number for an e-commerce or mail/telephone order transaction after clearly indicating a preference to route it as a non-Visa transaction. We have enabled non-Visa debit transaction processing on the Star network.

The rights and protections applicable only to Visa debit transactions, including additional consumer liability limits and streamlined error resolution procedures, as described in your Electronic Fund Transfers Agreement and Disclosure will not apply to transactions processed through non-Visa networks.

Please contact the Credit Union with any questions you may have regarding this notice.

## **E\*STATEMENTS AND BILL PAYER**

It's been a while since we've talked about an important value-added service available to our membership. In today's hectic lifestyle, we believe it is extremely helpful to take advantage of both of these services. E\*Statements and Bill Payer have been available for nearly 10 years and while a substantial portion of our members are already enrolled, we want to make sure everyone is aware of these perks. Some of the advantages of e\*Statements include the instant availability at your fingertips when you want to access your PPOCU account information. You no longer are left waiting for your paper statement to arrive in the mail. We feel certain you will find this online resource an invaluable tool in simplifying and organizing your life. Plus, you won't have to store months and months of paper statements in your home. The e\*Statements are stored online for two years. In order to sign up for e\*Statements, members must have online Home Banking. We're confident you'll be completely satisfied with the easy access and won't miss having all those paper statements taking up space! Another popular service offered by the PPOCU is Bill Payer. This service will simplify matters when it comes to recurring payments to individuals or businesses. Some organizations don't offer automatic withdrawal from your account each month. With Bill Payer you avoid having to write out a check and put it in the mail. Once you set this up, you no longer have to remember to manually send that payment. Bill Payer takes care of it for you. Members must have a checking account with PPOCU in order to enroll in Bill Payer. Please contact the credit union staff to sign up or for any questions.
