Upon approval, you will receive a credit card, giving you the flexibility to purchase whatever you need. This loan does not change or alter your first mortgage in any way. It is an entirely separate loan. There may be tax benefits as well.

HELOC has an initial draw period of 5 years with a 15-year repayment term.

Rates are based on the Wall Street Journal prime rate and can only change 2 times a year with Board approval.

**Rates are in effect as of this publication and are subject to change without notice.

Please call the credit union for other available loan products at 317-327-2600.

Closing costs for loans in other areas will be covered by the Credit Union up to the usual and customary amount for Indianapolis. Closing costs in other locales in excess of those usual and customary fees for Indianapolis may be the responsibility of the borrower. In addition, closing costs for HELOC loans applied for and not funded may be the responsibility of the borrower. AUTOMATED CLEARING HOUSE (ACH) DISCLOSURE

Credit given by Professional Police Officers Credit Union (herein "we") to the member (herein "you") with respect to an ACH credit entry is provisional until we receive final settlement for such entry through a Federal Reserve Bank. If we do not receive such final settlement, you are hereby notified and agree that we are entitled to a refund of the amount credited to you in connection with such entry, and the party making payment to you via such entry (i.e., the originator of the entry) shall not be deemed to have paid you in the amount of such entry.

Under the Operating Rules of the National Automated Clearing House Association (NACHA), which are applicable to ACH transactions involving your account, we are not required to give next day notice to you of receipt of an ACH item and we will not do so. However, we will continue to notify you of the receipt of payments in the periodic statements we provide to you.

We may accept on your behalf payments to your account which have been transmitted through one or more ACH's and which are not subject to Electronic Fund Transfer Act and your rights and obligations with respect to such payments shall be construed in accordance with and governed by the laws of the state of Indiana as provided by the operating rules of the NACHA, which are applicable to ACH transactions involving your account.

ANNUAL NOTICE REGARDING NON-VISA PINLESS DEBIT TRANSACTIONS

You may use your Visa Debit Card to initiate both Visa debit transactions and non-Visa debit transactions without using a personal identification number (PIN) to authenticate the transactions.

To initiate a Visa debit transaction, you may sign a receipt, provide a card number, or swipe your card through a point-of-sale (POS) terminal and choose to route the transaction over a Visa network.

To initiate a non-Visa debit transaction, you may enter a PIN at a point-of-sale terminal, or, for certain bill payment transactions, provide the account number for an e-commerce or mail/telephone order transaction after clearly indicating a preference to route it as a non-Visa transaction. We have enabled non-Visa debit transaction processing on the Star network.

The rights and protections applicable only to Visa debit transactions, including additional consumer liability limits and streamlined error resolution procedures, as described in your Electronic Fund Transfers Agreement and Disclosure will not apply to transactions processed through non-Visa networks.

Please contact the Credit Union with any questions you may have regarding this notice.

NEW AND IMPROVED SERVICES VIRTUAL BRANCH NEXT (ONLINE BANKING) CHECKFREE (BILL PAYER) E*STATEMENTS MOBILITI MOBILE BRANCH CAPTURE

In today's hectic lifestyle, we believe it is extremely helpful to take advantage of our Electronic services. The Credit Union recently upgraded and/or added these new services.

Virtual Branch Next (VBN) is a newly upgraded service replacing the old Home banking service. This program gives you access to all your accounts and recent transactions.

CheckFree (Bill Payer) and Pop Money was recently upgraded to better improve methods of paying bills and making person to person (P2P) payments. With bill payer you avoid having to write out a check and put it in the mail. Members must have a checking account with PPOCU to enroll through the VBN.

E*statements allows you to view your statement documents online. Some of the advantages of e*Statements include the instant availability at your fingertips when you want to access your PPOCU account information. You no longer are left waiting for your paper statement to arrive in the mail. We feel certain you will find this online resource an invaluable tool in simplifying and organizing your life. Plus, you will not have to store months and months of paper statements in your home. The e*Statements are stored online for two years. To sign up for e*Statements, members must enroll in VBN.

Mobiliti is a new service added which involves downloadable applications for Apple and Android phones. This product allows complete functionality including bill payments, P2P payments, and mobile banking directly from your smart phone.

Mobile Branch Capture (MBC) is a new service added. Through the downloadable application, MBC turns a smart phone into a deposit-making device by taking pictures of the front and back of each check and submit them electronically.

We want to make sure everyone is aware of these perks.

Please contact the credit union staff for any questions or visit our website at www.ppocu.org.
