NOV FUNDRAISER

Purchase E-Washes in Nov. to Benefit IMPD Officer Carver & his wife Autumn

Autumn is a 34 year old wife to Zach Carver, and mom to Harlow, Sadie, and Huxley. In late August, Autumn was admitted to the hospital with complications from Covid. To make the situation more complicated, she was also 7 months pregnant. She was put on a ventilator and eventually had an emergency c-section to deliver her son. Huxley Elias Carver entered the world 2 months early (with a full head of hair!) and is doing great! Once the c-section was complete she was put on an ECMO machine. There have been many ups and downs to this point, but Zach is giving Autumn every possible opportunity to fight for her life.
